

Basic Tent Test

- 1.) T / F - It is okay to walk on a tent with boots or shoes?
- 2.) T / F - The Bear Roll or Barrel Roll is a great way to get the air out of a tent without causing any damage to the tent?
- 3.) T / F - A small amount of moisture left in a stored tent is okay especially if it is only on the ground cloth
- 4.) The part of the tent that is laid out on the ground first to protect the tent floor is called:
 - a.) the Fly
 - b.) the Floor
 - c.) the Ground Cloth
 - d.) the Tarp
- 5.) The part of the tent that covers the NON-waterproof breathable fabric is called:
 - a.) the Fly
 - b.) the Floor
 - c.) the Ground Cloth
 - d.) the Tarp
- 6.) T / F - A tent should be swept out and trash removed before it folded and stored?
- 7.) A tent with a vestibule has:
 - a.) A mesh fabric in the top to store gear
 - b.) A second tent that can be set up next to it.
 - c.) An extra area covered by the Fly for storage
 - d.) A special bag for gear storage.
- 8.) T / F - A Eureka Timberline 4 or 4xt is a 2man dome tent
- 9.) A Eureka Timberline tent with a vestibule has how many poles?
 - a.) 4 uprights, 1 ridgepole, 1 fly extender pole
 - b.) 1 upright, 4 ridgepole, 1 fly extender pole
 - c.) 4 uprights, 1 ridgepole, 2 fly extender poles
 - d.) 1 upright, 4 ridgepole, 2 fly extender poles
- 10.) A vestibule fly used on a single entry Eureka Timberline tent should be placed with the vestibule:
 - a.) In the front.
 - b.) In the rear.

Why: _____

- 11.) How many stakes should a Timberline 4 with a vestibule fly have?
 - a.) Six
 - b.) Eight
 - c.) Ten
 - d.) Twelve
- 12.) T / F - Pushing tent stakes in with your boots is a great way to install them without bending them.
- 13.) T / F - Bent tent stakes should be put back into the stake bag for the next camper to find them and figure out how to use them.
- 14.) Any broken, damaged or missing parts should be:
 - a.) Noted in writing to the quartermaster
 - b.) Returned to the shed.
 - c.) Left for the next user to deal with
 - d.) Both 1 and 2.
- 15.) The main purpose of the ground cloth is:

Basic Tent Test

- a.) Keep the floor dry
 - b.) Protect the grass and flowers that you are setting the tent over
 - c.) Keep rainwater from going under your tent
 - d.) Protect the tent floor from damage and punctures.
- 16.) Our tents are marked with:
- a.) Plastic tags with letter designations
 - b.) Engraved Metal Tags
 - c.) Handwritten in magic marker on the tent parts
 - d.) None of the above.
- 17.) T / F - It's okay to have a tent, fly and bag that do not have matching plastic tags?
- 18.) The proper way to fold a Eureka Timberline tent is to:
- a.) Fold it into thirds?
 - b.) Fold it in half?
 - c.) Fold it lengthwise four times?
 - d.) Wad it up and stuff it into the bag?
- 19.) T / F - The stake bag should be placed inside of the pole bag before rolling up?
- 20.) The two little plastic pole connector tubes are:
- a.) Not a very important part.
 - b.) If one gets lost the tent can still be set up
 - c.) Both 1 and 2
 - d.) None of the above
- 21.) When storing the tent, the plastic connector tube should be:
- a.) Dropped in loose with the poles
 - b.) Dropped in loose with the stakes
 - c.) Slipped over one upright and locked between sections
 - d.) Rolled up inside the tent
- 22.) The ground cloth should be:
- a.) Folded separately and wrapped around the tent to protect it when storing
 - b.) Laid on top of the tent and rolled up inside the tent
 - c.) Rolled up tightly and stuffed into the bag separately
 - d.) Left out. It is not a necessary item.
- 23.) When setting up a tent, each storage bag should be:
- a.) Left out to be blown away.
 - b.) Stuffed one inside of each other and placed inside or under the tent.
 - c.) Hung inside the tent to store gear in.
 - d.) Used as a "Bear Bag", hung in a tree to store your food.
- 24.) The poles of the Eureka Timberline are made of:
- a.) Aluminum
 - b.) Fiberglass
 - c.) Wood
 - d.) Virtually indestructible high tech polymer
- 25.) T / F - The poles of the Eureka Timberline are very strong and unbreakable so that they can be used as martial arts fighting stick?
- 26.) By setting up the Eureka Timberline with poles before it is staked down does what?
- a.) Makes it no longer waterproof
 - b.) Bends the poles
 - c.) Allows the tent's floor space to be maximized.
- 27.) Any tent that has been used and is being returned should be:

Basic Tent Test

- a.) Aired out, cleaned out, folded and returned to the shed.
 - b.) Aired out, cleaned out, folded and returned to the Quartermaster
 - c.) Return directly to the shed
 - d.) None of the above.
- 28.) It's okay to do the following in a tent:
- a.) Sleep or rest
 - b.) Light any kind of flame
 - c.) Use a knife or other sharp object.
 - d.) Roughhouse and wrestle.
- 29.) On a Eureka Timberline Tent, the front:
- a.) Can be either end when it is a double entry
 - b.) Is the end with a sewn label.
 - c.) Always faces South.
 - d.) Is always covered by a vestibule.
- 30.) On a Eureka Timberline tent, the term "Key" refers to:
- a.) A devise needed to unlock the tent.
 - b.) a part of the tent that hold the lower part of the pole to the tent.
 - c.) The shape of the tent.
 - d.) None of the above.
- 31.) When taking down a Eureka Timberline tent you should:
- a.) Unzip all the doors and windows
 - b.) Zip up the doors but leave the window completely open.
 - c.) Zip up the doors completely but leave the windows down about $\frac{1}{4}$.
 - d.) Zip up the doors and windows all the way.
- 32.) When taking down a Eureka Timberline tent you should:
- a.) Pull out ALL of the stakes first
 - b.) Pull out the vestibule stakes, remove the vestibule and then unhook the tent to let it deflate.
 - c.) Pull out the tent stakes only after the breathable fabric roof has been laid neatly to one side and the poles removed and folded.
 - d.) Number b and c above.
- 33.) On a Eureka Timberline tent, an upright pole is different from a ridgepole by the following:
- a.) They are identical and can be interchanged
 - b.) The ridgepole is usually bent
 - c.) The ridgepole is three section and the uprights are four sections.
 - d.) None of the above.
