Adoption Guidelines

These are suggested gift guidelines for adopting a family for Christmas. Because of the increase in requests for assistance we have only taken gift & clothing requests for children 0 - 14 and senior citizens.

1. Gift Amount: The recommended amount for gifts is \$ 30-\$ 35 **per child** in the household. It is not necessary to purchase gifts for the parents.
2. It is traditional to provide a holiday meal for each adopted family. A gift card from a local grocery store is preferred, and you will find this information located at the bottom of the family profile page sent to each sponsor.

Family Size	1 - 3 people	4 people	5 people	6 people	7 people	8 people	9 people	10 people	11 people
Recommended Gift Card Amount for Holiday Meal	\$30	\$35	\$40	\$45	\$50	\$55	\$60	\$65	\$70

The formula for the food is based on \$ 30 for the first 3 people in a family and an additional \$ 5 for each person thereafter.

3. Please **do not give cash** to your family. If you wish to give a family gift in addition to the gifts for the children a gift card with a maximum of \$30.00 would be appropriate.
4. Please **do not wrap** any of the gifts. This makes it difficult for the parents to account for what has been provided.
5. Please **remove all receipts and price tags** from your items.
6. Please **do not use your full name** on any item you provide.
7. Please **label each package** with the family number provided.
8. Please place **gift cards/vouchers** in an envelope separate from the gifts. The gift cards will be kept in a secure location until distribution day when the envelope with contents will be given to the adopted family.
9. Gifts for adopted families should be delivered as follows:
